I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: I object to 'inordinate amount' !!
my doctor has prescribed certain
medication for me - my health
is on the line - I can't afford
to loose that good feeling -
It took me 4 years to get to this stage.
Please.
